Four-Person Couples Scramble

The **Claremont Men's Golf Club** will be hosting its annual opening tournament, the "**Spring Fling**", on Friday, May 17th. It will be a step aside scramble. The person whose ball is selected to play, does not hit the next shot.

This event is a 9-hole Four-Person Couples Scramble. Men's Golf Club Members can be paired with their spouse or a woman guest who is a member of the CWGC. If unable to locate a woman partner, the tournament committee will work with the CWGC to find a partner who would like to team up.

Entries are for two-persons only. Golf Genius will be used to create four-person teams using current handicaps (no teammate requests please). Men will play from their regular tees (white or gold) and women will play from the red tees, except on hole #3. On #3, women hit from the green and men move up one, white to gold and gold to red.

Participation will be limited to the first 72 players (36 couples) to sign up. After that number is reached, a waiting list will be created.

Award money will be paid out to the lowest scoring teams (net). Field prizes will also be made to both men and women.

Schedule of Events:

- 7:15 AM Briefing and continental breakfast in the Clubhouse
- 8:00 AM Shotgun start for all teams
- 11:15 AM Luncheon and awards in the Clubhouse

-----Cut here-----

Registration deadline is Sunday, May 12th at midnight (No refunds after this date).
