

CLAREMONT WOMEN'S GOLF CLUB

2024 MEMBERSHIP REGISTRATION

Claremont Women's Golf Club (CWGC) was formed to encourage social and spirited golf participation in a fun and friendly atmosphere among Claremont women golfers of all skill levels. Membership in CWGC allows you to establish a USGA and course handicap through the Oregon Golf Association (OGA) handicapping system. Handicapping is designed to level the playing field, so that all abilities can participate and compete together. Your CWGC membership entitles you to play in our organized social and competitive events throughout the golf year.

2024 CWGC Full Member \$90 Includes OGA handicap annual dues of \$41 and \$1 for Hole in One Club.

2024 Associate Member \$65 (*Former CWGC golfing members who no longer reside in Claremont may become associate members*) - Includes OGA handicap annual dues of \$41 and \$1 for Hole in One Club, but may not play in Club Championship.

2024 Social Member \$15 Social memberships are for women who have been golfing members with CWGC but are no longer active golfers. Social members are kept informed of the activities of CWGC, including communications, events, and luncheons, and are encouraged to participate with the exception of playing golf.

NOTE: ALL current OGA memberships will be de-activated at the end of this calendar year. If you are playing in areas where posting continues during December January & February 2024, be sure to register with CWGC before December 31, 2023 in order to be able to post your scores.

NOTE: It is helpful to CWGC planners if you register sooner, rather than later. To activate your OGA membership, and for your name to appear in CWGC 2023 Handbook, your registration form must be received by March 1, 2024. You may register after that date; however, you might not be listed in the handbook.
